"Johnna was AMAZING. She was incredibly punctual, she played BEAUTIFULLY, and I can't imagine a more perfect ceremony. She was so accommodating, she even took a song request for our ceremony that was not originally on her sheet of offerings. I am immensely thankful we found her for our ceremony."

"Johnna was so easy to work with and she was so sweet throughout the process! I had requested her to learn a song for my ceremony, and it turned out beautifully! She was very good about responding and again, just so easy to work with. On the day of my ceremony, it rained...but Johnna remained professional and kept on playing for my guests! The way she plays the guitar was so pretty for my outdoor wedding. I would recommend her for anyone who wants acoustic for their wedding or just to have great ambiance at any function. Thank you so much Johnna!"

"We could not thank Johnna enough for the beautiful performance for our wedding in Dahlonga, GA. Johnna understood exactly the style we wanted as a backdrop for the entire wedding (cocktails, seating, processional, & reception). We were having a very intimate wedding & Johnna helped to make it extraordinarily special. Easy to work with, flexible, responsive to our specific tastes, professional, and a beautiful style & repertoire! We couldn't be happier & all our guests were so impressed with the lovely performance. So happy we found you Johnna!"
